

RE the impending changes to allow companies to own more media and media related companies, I ask you to vote NO for these changes.

Already the concentration of news media outlets is dumbing down the news and filtering it to the views of the stations ownership. Of course this is legal and has always been done. But now, by allowing even more concentration, we the public will only be told what Mr. Murdock and others like him want to tell us. There wont be a variety of views on any given subject. This change is not in the public's interest. It is only in the interest of the largest media companies.

PLEASE VOTE NO!!!!

Thank you,

Merv Shenson
